

The Nottinghamshire County Council (Devonshire Street, Worksop)
(Prohibition of Waiting) Traffic Regulation Order 2026 (1278A)

Statement of Reasons

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce additional parking restrictions along Devonshire Street. The double yellow lines (no waiting at any time) would be placed at the narrowest part of the road to help ensure that larger vehicles can safely pass along Devonshire Street. The proposed restrictions will also help ensure that the area outside the school is kept clear of parked vehicles during the school day.

The existing bus stop markings would be converted into an enforceable bus stop clearway, operating during the same times as the school keep clear markings; that is, no stopping Monday to Friday between 8am and 4.30pm.

Due to administrative and operational limitations, the original consultation could not be sealed to make it enforceable. Therefore, we will be readvertising this scheme to ensure transparency.
