Dear

**CHAPEL LANE, EVERTON – PROPOSED PARKING RESTRICTIONS (TRO 1279)**

**PUBLIC ADVERT**

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised about inconsiderate and obstructive parking at the junction of Bawtry Road (A631) and Chapel Lane, Everton. This reduces visibility and access for drivers and pedestrians using this junction.

To address this issue, it is therefore proposed to introduce 'No Waiting At Any Time' restrictions (Double Yellow Lines in Primrose Yellow) around the junction, terminating at the 'Give Way' markings, as shown on drawing number H/WA/4079/01. Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **25<sup>th</sup> November 2022**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: [www.viaem.co.uk/privacy-notice-for-the-public/](http://www.viaem.co.uk/privacy-notice-for-the-public/)
