Date: 3rd November 2025

Dear

STATION ROAD, SOUTH LEVERTON
PROPOSED 40 MPH SPEED LIMIT (TRO 1325) – STAGE TWO CONSULTATION

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Nottinghamshire County Council has received complaints regarding the speed of vehicles entering the village of South Leverton. In order to improve road safety an assessment of the existing speed limit has been carried out and confirmed that it is suitable for a 40mph speed limit from 50 metres south of the centreline of the level crossing for approximately 400 metres.

Further to the stage one consultation letter of 7th August 2025, the next stage of the consultation is to publicly advertise the scheme. The notice will be published in the Retford Times and notices will be fixed on site. A plan showing the proposals is attached (Drawing Number H/JDC/5088/01) along with a copy of the site notice.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **4th December 2025**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Please be advised that all comments regarding this scheme, made during the Stage One Consultation period, still remain valid throughout this Stage Two Consultation period.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours
