

THE NOTTINGHAMSHIRE COUNTY COUNCIL (BRINSLEY WAY, BIRCOTES)
(PROHIBITION OF WAITING, BUS STOP CLEARWAYS AND PROVISION OF
TRAFFIC CALMING) TRAFFIC REGULATION ORDER 2026 (1339)

Statement of Reasons

Via East Midlands Ltd working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire, has received an application for the introduction of various traffic management measures associated with the Simpson Park Development on Brinsley Way, Bircotes.

The proposed measures include the introduction of Double Yellow Lines (No Waiting at Any Time) and the installation of six 75mm-high raised traffic calming humps. These measures are designed to support the safe operation of the new development, maintain visibility and access, and ensure the effective movement of traffic throughout the area.

In addition, four new enforceable bus stop clearways will be implemented. These will prohibit other vehicles from parking or waiting within the bus stops at any time and will be clearly identified with new road markings and signage.

To address this issue, it is proposed to introduce 'No Waiting At Any Time' restrictions (Double Yellow Lines) and install raised traffic calming humps and four bus stop clearways along Brinsley Way, as shown on drawing number H/CLW/5271/01.
