Dear

B6014 SKEGBY LANE, MANSFIELD AND SUTTON IN ASHFIELD

PROPOSED 30 MPH SPEED LIMIT (TRO 2251) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

In order to facilitate the new housing development on the north side of Skegby Lane, it is proposed to reduce the existing 40mph Speed, between its junction with the A6075 Kings Mill Road / Beck Lane and Ladybrook Lane, to 30mph. The proposed 30mph Speed Limit is being introduced to reduce the speed of traffic and will help to improve road safety along the route.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 30mph speed limit is attached (Drawing Number H/SLW/3990/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **22nd July 2022**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
