

THE NOTTINGHAMSHIRE COUNTY COUNCIL
(COMMON LANE, MANSFIELD WOODHOUSE) (30 M.P.H SPEED LIMIT)
TRAFFIC REGULATION ORDER 2026 (2293)

Statement of Reasons

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, has received requests to extend the existing 30 mph Speed Limit on Common Lane, Mansfield. The proposed extension of the 30 mph Speed Limit is being introduced to ensure the speed restriction is more consistent with the character and function of the road, and to ensure that the junction with Northfield Lane is appropriately included within the lower speed limit, thereby improving road safety for all users.

As part of this review, it is also proposed to remove the existing speed humps. These traffic-calming features are no longer considered appropriate on a carriageway that is unlit and subject to the national speed limit.

The proposals are shown on drawing number H/CLW/5356/01.
