Dear

Proposed Parking Restrictions (TRO 3355)

Various roads in Farnsfield

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised about obstructive parking at the following junctions;

- Far Back Lane, Broomfield Lane, Station Lane and New Hill, Farnsfield.
- New Hill and Chapel Lane, Farnsfield
- Eaton Close, off Main Street Farnsfield.

This reduces visibility and access for drivers and pedestrians using these junctions.

To address these issues, it is therefore proposed to introduce 'No Waiting At Any Time' restrictions (Double Yellow Lines) at all junctions, as shown on drawing number H/JW/4038/01. Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **16th November 2022**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
