

**The Nottinghamshire County Council (B6326 Great North Road,
Fernwood) (40 M.P.H. Speed Limit) Order 2023 (3359)**

Statement of Reasons

The speed limit has replaced the previous National Speed Limit of 60mph. The reduced speed limit will help to reduce the speed of traffic approaching the new roundabout on The Great North Road which will give access to the new housing development. The new speed limit will be an extension to the existing 40mph speed limit.
