Dear

LONDON ROAD, BALDERTON

PROPOSED 30 MPH SPEED LIMIT (TRO 3365) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

The county council has received a request to reduce the existing 40mph speed limit along the B6326 London Road, Balderton, between Main Street and the A1 Roundabout. An assessment has been carried out which confirms that the section detailed above is suitable for a 30 mph speed limit.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 30mph speed limit is attached (Drawing Number H/SLW/4197/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **9th March 2023**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
