

STATEMENT OF REASONS

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

The County Councillor has requested measures to reduce the volume of rat-running traffic using Crew Lane Close, Southwell. Residents have requested that the road is blocked at one end, but this is not considered feasible because it is not possible to construct the necessary turning head at either end due to the lack of highway land.

It is therefore proposed to introduce a Prohibition of Driving Order which will help to prevent unauthorised vehicles from using the road. Access would be retained for residents needing access to their properties.

The proposals are shown on drawing H/SLW/4985/01
