

THE NOTTINGHAMSHIRE COUNTY COUNCIL
(BLIDWORTH AREA (7.5 TONNES WEIGHT RESTRICTION)
TRAFFIC REGULATION ORDER 2026 (3401)

Statement of Reasons

Nottinghamshire County Council has introduced a 7.5 tonne environmental weight limit to replace the 18 tonne weight limit in the Blidworth area, to reduce the impact of large vehicles in the area.

The Order has been introduced to replace the current 18 Tonne weight limit. The weight limit prohibits all vehicles over 7.5 Tonne, from passing through the villages of Blidworth, Rainworth and Ravenshead but will still allow HGVs who need access within the villages.

All of the roads within the area bounded by (but not including) The A60 Road (from Leapool Roundabout to A617 Fountaindale Way West); The A60 Road (from A617 Fountaindale Way West to the Rainworth Bypass Roundabout); The B6020 Road (from the Rainworth Bypass Roundabout to A617 Fountaindale Way East); The A617 Road (from A617 Fountaindale Way East to Lockwell Hill Roundabout); and The A614 Road (from the Lockwell Hill Roundabout to Leapool Roundabout).
