Dear

**BOUNDARY ROAD, MILL GATE, AND PELHAM STREET, NEWARK ON TRENT -  
PROPOSED 7.5 TONNES ENVIRONMENTAL WEIGHT LIMIT (TRO 3430) – PUBLIC ADVERT**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. Mill Gate is a very narrow road, which has a one-way order in place as a result. The road also has several traffic calming features in the form of cobbled strips.

Residents have complained about the adverse impact of lorries using Mill Gate as a cut-through to avoid delays at the Beaumont Cross signals.

A survey confirmed around 90 lorry movements a day, most of which appear to be passing through the area without stopping.

Nottinghamshire County Council is proposing to introduce a 7.5 tonne environmental weight limit on Boundary Road, Mill Gate and Pelham Street to reduce the impact of large vehicles in the area.

The weight limit is intended to stop heavy goods vehicles from driving along these roads but would still allow HGVs who need access along these roads.

The advert will be published in the Newark Advertiser and notices will be displayed on site. A plan showing the proposals is attached (Drawing Number H/LF/5447/01) along with a copy of the site notice.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **3<sup>rd</sup> September 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: [www.viaem.co.uk/privacy-notice-for-the-public/](http://www.viaem.co.uk/privacy-notice-for-the-public/)

Yours faithfully,
