Dear

A616 NEWARK ROAD, WELLOW – PROPOSED 30 MPH SPEED LIMIT ORDER 2026 (TRO 3436) – PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Nottinghamshire County Council has received requests to reduce the speed limit on the A616 Newark Road, Wellow, in the vicinity of the access to Wellow House School to improve road safety. A speed survey was undertaken between the existing 30mph speed limit terminal signs and a point approximately 55 metres north of the school access. The survey results indicate that a 30mph speed limit is appropriate for this section of road, in accordance with current guidance based on the DfT's 'Setting Local Speed Limits'.

It is therefore proposed to introduce a 30mph Speed Limit on the above-mentioned road, as per the attached drawing H/JDC/5558/01. The advert will be published in the Newark Advertiser and notices will be displayed on site.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **7th January 2027**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
