Dear

B6021 KIRKBY FOLLY ROAD AND LOWMOOR ROAD, SUTTON IN ASHFIELD

PROPOSED 30 MPH SPEED LIMIT (TRO 4288) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

The county council has received requests to reduce the existing 40mph speed limit along Kirkby Folly Road, Sutton in Ashfield between its junction with Station Road / Newark Road and Maun View Gardens. An assessment has been carried out which confirms that the section detailed above is suitable for a 30 mph speed limit. It is therefore proposed to introduce a 30mph Speed Limit along the route.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 30mph speed limit is attached (Drawing Number H/SLW/4235/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **30th March 2023**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
