Dear

B6019 KIRKBY LANE, PINXTON

PROPOSED 40 MPH SPEED LIMIT (TRO 4314) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

Further to the initial consultation letter of 6th September 2024, the next stage of the consultation is to publicly advertise the scheme. The Advert will be published in the Mansfield and Ashfield Chad and notices will be fixed on site. A plan showing the extents of the proposed 40mph Speed Limit is attached (Drawing Number H/JW/4776/01) along with a copy of the site notice.

The proposed 40mph Speed Limit is being introduced to reduce the speed of traffic due to the presence of residential properties and will help to improve road safety and help to reduce road accidents along the route.

Any observations on these proposals should reach me in writing, either by letter or email, by **30th December 2024**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
