Dear

**PRIVATE ACCESS ROAD TO SUTTON PARKWAY STATION - PROPOSED PROHIBITION OF  
RIGHT TURN (TRO 4327) – PUBLIC ADVERT**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

As part of the development of the Automated Distribution and Manufacturing Centre (ADMC) in Sutton-in-Ashfield, and in order to discharge the requirements of the Section 278 and Section 38 planning obligations, as well as to address matters identified within the associated Road Safety Audit, it is proposed to introduce a Prohibition of Right Turn Traffic Regulation Order. This measure is intended to prevent unauthorised vehicles from executing a right-turn manoeuvre from the station car park access road onto Lowmoor Road.

The notice will be published in the Mansfield and Ashfield Chad and notices will be fixed on site. A plan showing the proposals is attached (Drawing Number H/JDC/5323/01) along with a copy of the site notice.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **17<sup>th</sup> June 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: [www.viaem.co.uk/privacy-notice-for-the-public/](http://www.viaem.co.uk/privacy-notice-for-the-public/)
