My ref: H/SLW/TRO 5262

Date: 12th February 2019

Dear

**NOTTINGHAM ENTERPRIZE ZONE CYCLE ROUTES - LILAC GROVE, BEESTON
PROPOSED 7.5 TONNE ENVIRONMENTAL WEIGHT LIMIT (5262) – PUBLIC ADVERT**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

As part of the new shared use cycle/footway it is proposed to introduce a 7.5 Tonne Environmental Weight Limit along a section of Lilac Grove at Beeston, between its junction with Meadow Road and the start of the industrial estate approximately 54 metres north-east of its junction with Lilac Crescent / Maple Avenue.

The proposed scheme will prevent the intrusion of Heavy Goods Vehicles (HGVs) which use Lilac Grove. It will reduce the environmental nuisance caused by HGVs in the residential areas along the route and will make it safer for vulnerable road users.

The proposals will be advertised in the Nottingham Post on 15th February 2019 with notices displayed on site. A plan showing the extents of the proposed weight limit is attached (Drawing Number H/SLW/2765/04) along with a copy of the site notice.

Before proceeding further with the proposals, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's statutory procedures at the appropriate time.

Any observations on these proposals should reach me, in writing, either by letter or email, by **13th March 2019**.

If you have any queries on the proposed Environmental Weight Limit Order please contact me on 0115 9774742.

Yours
