Dear

**Proposed Parking Restrictions (TRO 5302)**

**Forge Hill, Hallams Lane, High Road, Hurts Croft, The Close and Woodland Grove, Chilwell –  
REVISED PUBLIC ADVERT**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, has received numerous responses to the consultation that was previously advertised in July 2020. As a result, these requests have been considered and new proposals to the original scheme are listed below:-

- Removal of the Single Yellow Line on Forge Hill and replaced with Double Yellow Lines around the bends
- Extend the Double Yellow Lines on High Road at its junction of The Close
- Introduce additional Double Yellow Lines outside the Landermedes Nursing Home

These proposed additional parking restrictions are to discourage parking where it is causing access problems for local residents or impeding the movement of traffic. The revised proposals will be advertised with notices displayed on site. A plan showing the revised proposals (Drawing number H/SLW/3732/01) is attached, along with a copy of the site notice.

**Any comments or objections received for the original scheme will not be automatically carried forward. If you previously objected to the scheme and wish that the objection still be considered in relation to the revised scheme, please contact me in writing to confirm.**

The revised consultation has been delayed due to the restrictions associated with the Coronavirus. Any observations on these proposals should reach me in writing, either by letter or email, by **30<sup>th</sup> July 2021**.

If your comments are in the form of an objection to the revised proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's statutory procedures at the appropriate time. Any details you provide may be shared with Nottinghamshire County Council as appropriate.
