Dear

**A6002 COVENTRY LANE, BRAMCOTE - PROPOSED 40MPH SPEED LIMIT (TRO 5322)-  
PUBLIC ADVERT**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

In order to fulfil a planning condition for the new housing development off the north-west side of Coventry Lane, it is proposed to reduce the existing 50mph Speed Limit to 40 mph, from a point 43 metres north-east of its north-eastern-most junction with Longden Close in a north-easterly direction to a point 274 metres south-west of its junction with Sharnford Way.

The proposed 40mph Speed Limit is being introduced to reduce the speed of traffic and will help to improve road safety along the route.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposals is attached (Drawing Number H/SLW/4116/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **30<sup>th</sup> November 2022**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
