Dear

THE NOTTINGHAMSHIRE COUNTY COUNCIL (CEDAR ROAD, DALE LANE, GROVE AVENUE, NORTH DRIVE, PARK ROAD, RICHMOND DRIVE & SOLWAY CLOSE, CHILWELL) (20 M.P.H SPEED LIMIT) ORDER 2026 (5387) – PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Nottinghamshire County Council has received requests to reduce the speed limit on Cedar Road, Dale Lane, Grove Avenue, North Drive, Park Road, Richmond Drive and Solway Close, Chilwell. In response, a survey of the existing speed limit was undertaken, which confirmed that these roads are suitable for a 20mph speed limit.

The proposal aims to improve road safety for pedestrians and all other road users. It follows concerns regarding vehicle speeds, the lack of kerbed footways in some locations, narrow carriageways, and the use of these roads as through routes. The introduction of a 20mph speed limit is expected to create a safer environment for residents, pedestrians and motorists by encouraging lower vehicle speeds throughout the area.

To address these concerns, it is therefore proposed to introduce a 20mph Speed Limit on the above mentioned road's, as per the attached drawing H/AL/5567/01. The advert will be published in the Nottingham Post and notices will be displayed on site.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **18th December 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours faithfully,
