Dear

STATION ROAD, BURTON JOYCE

PROPOSED 30 MPH SPEED LIMIT (TRO 7265) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

The existing 30 mph speed limit on Station Road at Burton Joyce, starts part way along the row of houses north of the railway line. Requests have been made by the County Councillor and the Parish Council to include all of the residential properties. In order to resolve this issue, it is proposed to extend the existing 30 mph speed limit to the south of the level crossing therefore including all of the houses and the level crossing.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 30mph speed limit is attached (Drawing Number H/SLW/4195/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **23rd February 2023**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
