Dear,

FOXHILL ROAD EAST, CARLTON - PROPOSED PARKING RESTRICTIONS (TRO 7268) - PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised regarding inconsiderate and obstructive parking on Foxhill Road East at its junctions with Chesterfield Street, Deep Furrow Avenue and Rushcliffe Avenue. This reduces visibility and access for drivers and pedestrians using these junctions.

Further to the public consultation letter of 16th January 2024 after deliberation it has been decided that the proposed ten metres junction protection that was originally suggested in the initial consultation on 28th November 2023 is proposed, ensuring that larger vehicles are able to enter and exit the above junctions. The next stage of the consultation is to publicly advertise the scheme. The advert will be published in the Nottingham Post and notices will be fixed on site. A plan showing the extents of the proposed restrictions is attached (Drawing Number H/MW/4265/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **10th October 2024**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you would like to find out more about how we use your data, please see our Privacy Notice:
