The proposed lower speed limit is being introduced to help reduce the speed of traffic on Cotgrave Road and Plumtree Road between Cotgrave and Tollerton. The lower speed limit will help to reduce the risks to vulnerable road users, especially cyclists. The new speed limit matches the average speed of traffic on the road.

The Written objections (stating grounds and quoting ref. 8280) must be received by me by the **9th day of November 2018**.
