Dear

A60 LOUGHBOROUGH ROAD, BRADMORE

PROPOSED 30MPH SPEED LIMIT (TRO 8305) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

In order to fulfil a planning condition for the new housing development at Bunny Lane, Keyworth and to improve road safety for pedestrians and road users, it is proposed to reduce the existing 40mph speed limit along the A60 Loughborough Road, part of Bradmore Lane and Pendock Lane at Bradmore to 30mph. The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 30mph speed limit is attached (Drawing Number H/SLW/3498/01) along with a copy of the site notice.

Before proceeding further with the speed limit proposals, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's statutory procedures at the appropriate time.

Any observations on these proposals should reach me, in writing, either by letter or email, by **25th September 2020**. Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
