County Council**

My ref: H/SLW/TRO 8347

Date: 5th September 2022

Dear

PARK LANE, SUTTON BONINGTON

PROPOSED 30 MPH SPEED LIMIT AND RAISED PLATEAU (TRO 8347) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

In order to facilitate the new housing development on the north-east side of Park Lane, it is proposed to extend the existing 30 mph Speed Limit south of its junction with Charnwood Fields, to its junction with the A6006. In addition to help reduce the speed limit, it is proposed to install a new raised plateau at the junction to the new housing development.

The proposed 30mph Speed Limit and raised plateau are being introduced to reduce the speed of traffic and will help to improve road safety along the route.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 30mph speed limit is attached (Drawing Number H/SLW/3999/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **6th October 2022**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
