Dear

**HALL LANE, COLSTON BASSETT**

**PROPOSED 40 MPH SPEED LIMIT (TRO 8358) – PUBLIC ADVERT**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services.

The county council has received requests to reduce the existing national speed limit (60mph) along Hall Lane, Colston Bassett due to the narrowness of the carriageway, enclosed nature of the road and presence of a very narrow footway with a stone wall behind it, which provides very little space for pedestrians. An assessment has been carried out and it is proposed to introduce a new 40mph Speed Limit between School Lane and New Road, Colston Bassett.

The proposals will be advertised, and notices displayed on site. A plan showing the extents of the proposed 40mph speed limit is attached (Drawing Number H/SLW/4196/01) along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **17<sup>th</sup> March 2023**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
