**Prohibition of Driving** along the following length of road: -

**Holme Lane, Holme Pierrepont**

Or by visiting the County Council's Website (<https://consult.nottinghamshire.gov.uk>)

**THIS ORDER WILL COME INTO FORCE ON 21ST APRIL 2025.**

The road closure has been introduced to remove motor traffic from the specified length of Holme Lane. This will help make it safer for non-motorised users of the road (pedestrians, cyclists and horse riders) and will help ensure that the road surface is not unduly damaged by the excessive use by motorised vehicles. The road width is not suitable for 2-way motorised traffic. The road is closed off by timber gates with a gap left at the side for non-motorised traffic.
