Nottinghamshire County Council have received requests to consider implementing a parking scheme to remove long-term non-residential parking on Easthorpe Street, Ruddington, where most of the properties do not have access to any off-street parking.

Letters and questionnaires were sent out to residents in August 2023 asking if they would like residents parking restrictions along part of Easthorpe Street, Ruddington. The questionnaires were sent to 33 properties. There was a total of 13 questionnaires returned (40%) of which 10 (77%) supported a Residents Parking Scheme (RPS). The Council's criteria for the consideration of a RPS is for 35% of the questionnaires to be returned and of these 65% to be in favour. As the returns from the residents meets the criteria, the next stage of the process is to formally consult on the proposals to introduce a RPS which would be operation Monday to Saturday 3pm–9pm.
