Dear

CHURCH STREET, RUDDINGTON – ADDITIONAL DISABLED PARKING (TRO 8433) – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services across Nottinghamshire.

Nottinghamshire County Council has received a request to consider the provision of a new enforceable disabled parking bay on Church Street, Ruddington. The proposed parking bay would improve accessibility for disabled residents by enabling them to park closer to their homes, local shops and community facilities. The measure is intended to support independent access to essential services and amenities, while helping to meet the parking needs of disabled users within the village centre.

To address this issue, it is therefore proposed to introduce an additional Disabled Persons Vehicle At Any Time along Church Street, as shown on drawing number H/CLW/5466/01. The advert will be published in the Nottingham Post and notices will be displayed on site.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **3rd December 2026.** If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
