THE NOTTINGHAMSHIRE COUNTY COUNCIL (CHURCH STREET, RUDDINGTON) (AMENDMENTS TO PARKING PLACES) TRAFFIC REGULATION ORDER 2026 (8433)

Statement of Reasons

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services across Nottinghamshire.

Nottinghamshire County Council has received a request to consider the provision of a new enforceable disabled parking bay on Church Street, Ruddington. The proposed parking bay would improve accessibility for disabled residents by enabling them to park closer to their homes, local shops and community facilities. The measure is intended to support independent access to essential services and amenities, while helping to meet the parking needs of disabled users within the village centre.

To address this issue, it is therefore proposed to introduce an additional Disabled Persons Vehicle At Any Time along Church Street, as shown on drawing number H/CLW/5466/01.
