Dear

**HENSON LANE, UPPER SAXONDALE – PROPOSED 30 MPH SPEED LIMIT ORDER 2026 (TRO 8440) – PUBLIC ADVERT**

Via East Midlands Ltd, on behalf of Nottinghamshire County Council, is proposing to introduce a 30mph speed limit on a section of Henson Lane, Upper Saxondale, following requests to reduce vehicle speeds and improve safety for pedestrians using the adjacent public footpath.

The proposed 30mph speed limit would extend from the current terminal point of the existing 30mph speed limit in a south-easterly direction for approximately 112 metres, beyond the entrance to the public footpath, as shown on drawing H/JDC/5546/01. The 30mph Speed Limit Order will be advertised in the Nottingham Post, and notices will be displayed on site.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **23rd December 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
