The proposed double yellow lines are intended to keep the road clear of parked vehicles. The removal of parked vehicles will keep the junctions clear to allow pedestrians an unobstructed route across the road and will also give vehicles a clearer view when turning in or out. The parking restrictions on Acacia Crescent will allow better access for larger vehicles, such as refuse lorries and lorries accessing the post office depot.

Written objections (stating grounds and quoting ref. 7188) must be received by me by the **30th day of October 2017.**
