Dear «Sig1»

**WHINNEY LANE, OLLERTON – EXTENSION TO EXISTING 30MPH SPEED LIMIT  
PUBLIC CONSULTATION – TRO 3302**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to extend the existing 30mph speed limit on Whinney Lane, Ollerton. The 30 mph speed limit is to be extended northwards by approximately 170 metres. The new speed limit would include the new access road (Riverdale Road) into the new housing development. The speed limit would help to ensure that vehicles entering the built up area are travelling at a lower speed.

The road north of the new speed limit has a system of street lights and in order to keep the road at the National Speed Limit of 60mph it is proposed to introduce a derestriction speed limit order to this length of road.

The proposals will be advertised and notices displayed on site. A plan showing the proposals (drawing number H/JAB/3225/01) is attached along with a copy of the site notice.

Before proceeding further with the proposed extension to the 30mph speed limit, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **21<sup>st</sup> October 2019**.

All comments/objections should be sent to either the e-mail address or postal address below.

Yours «Sig2»
