

ACTIVE TRAVEL FUND – NEW CYCLE ROUTE ON DERBY ROAD, MANSFIELD

Nottinghamshire County Council has been successful in securing funding from the Government's Active Travel Fund to provide a new cycle route in Mansfield.

The proposed cycle scheme is for a new one-way protected cycle track on both the north and south side of Derby Road, between Cauldwell Road and A60 Nottingham Road. The proposed scheme will include improvements for pedestrians and cyclists at the junction of A60 Nottingham Road with Derby Road, and at the junction of Derby Road with Cauldwell Road. The proposals include constructing a combination of on-road and off-road protected cycle tracks, and the relocation and upgrade of existing footpaths to complement the cycle route proposals. A new Toucan crossing is proposed on Derby Road, to the west of the vehicular access to the Vision West Nottinghamshire College campus. The cycle route will run adjacent to the College campus and provide a link to connect existing walking and cycling infrastructure in the area.

Before proceeding further, a consultation is being undertaken on the proposal. Please use the following link, or QR code below, to access further information and have your say on the proposals www.nottinghamshire.gov.uk/atftranche3. Alternatively, write to us at the address below.

Please ensure your response is submitted by **Wednesday 23rd November 2022**; the replies will help to inform Nottinghamshire County Council's decision-making process.
